1	CITY OF SEATTLE		
2	ORDINANCE		
3	COUNCIL BILL		
4 5 7 8 9 10 11 12	 title AN ORDINANCE relating to land use and zoning; adopting a moratorium on the filing, acceptance or processing of applications for the establishment, expansion, or change of use for certain uses on parcels with a Commercial 1, Commercial 2, or Neighborhood Commercial 3 zoning designation within the Aurora-Licton Urban Village; declaring an emergency, and establishing an immediate effective date; all by a 3/4 vote of the City Council. body BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS: 		
13	Section 1. The City Council hereby makes the following legislative findings-of-fact and		
14	declarations:		
15	A. The City's Comprehensive Plan incorporates neighborhood plan goals and policies for		
16	the Aurora-Licton Urban Village that include those shown in Exhibit A.		
17	B. Land uses permitted by Title 23 on lots with a Commercial 1, Commercial 2, or		
18	Neighborhood Commercial 3 zoning designation within the Aurora-Licton Urban Village, as		
19	shown in Exhibit B, include uses that are not consistent with adopted neighborhood plan goals		
20	and policies, such as auto-oriented uses, warehouses, and heavy commercial and manufacturing		
21	uses.		
22	C. Since 2014, half of permit applications for new development within those zones in the		
23	Aurora-Licton Urban Village have included uses, such as mini-warehouses, that are not		
24	consistent with neighborhood plan goals and policies.		
25	D. Proliferation of these types of uses could preclude development that is more consistent		
26	with the neighborhood plan goals and policies.

E. A work plan for analyzing permitted uses on commercially zoned parcels within theAurora-Licton Urban Village will inform permanent controls and other relevant issues that theCouncil may wish to address in permanent regulations.

F. The work plan calls for developing and recommending permanent regulations to replace these interim regulations by June of 2018.

G. If the right to develop specific uses vest before the analysis described in the work plan
is performed and final controls adopted, the City's goals as identified in Comprehensive Plan
may be thwarted. Accordingly, it is necessary for the City to temporarily foreclose applications
for permits to establish or expand specific uses, either as principal or accessory, or applications
for a change of use to one of these specific uses, either as principal or accessory, in the AuroraLicton Urban Village.

H. Limiting the controls in this Ordinance to Commercial 1, Commercial 2, andNeighborhood Commercial 3 zoning designations within the Aurora-Licton Urban Village willhelp ensure that there are still opportunities for these uses to be allowed elsewhere in the city.

I. The City has legal authority to establish moratoria and interim measures pursuant to the authority granted by Article 11, Section 11 of the Washington Constitution, the Growth Management Act, RCW 36.70A.390, and *Matson v. Clark County*, 79 Wn. App. 641 (1995).

Section 2. Unless expressly excluded under Section 4 of this Ordinance, the Council hereby adopts a moratorium on the filing, acceptance, processing and/or approval of new applications to establish or expand the following uses, either as principal or accessory, or change of use to any of the following uses, either as principal or accessory for parcels with a Commercial 1, Commercial 2, or Neighborhood Commercial 3 zoning designation within the

and Policies

AL-G1 An Aurora-Licton Residential Urban Village that is a vibrant residential community, with a core of multifamily housing, pedestrian-oriented neighborhood retail shops and services, and open space clustered immediately east of Aurora Avenue North.

AL-P1 Maintain the current balance of residential and commercial areas within the urban village boundaries. Consider future zoning changes that would reduce conflicts between adjacent areas; promote the development of a neighborhood-serving and pedestrian-oriented commercial core and promote transitions between single family areas and commercial areas.

AL-G5 One or more vibrant, safe, and attractive mixed-use commercial area that provides the immediate neighborhood with convenient access to retail goods and services, and that minimizes impacts, such as parking, traffic, crime, and noise, to adjacent residential areas.

AL-P12 Encourage neighborhood-oriented retail stores and services in the urban village that are attractive and accessible to the surrounding community. Recognize the importance of and support existing businesses in the community.

AL-P13 Encourage the development of pedestrian-friendly pathways, which will enhance and support new pedestrian-oriented commercial activity and maximize pedestrian access to public facilities.

AL-P14 Encourage new pedestrian-oriented commercial activity to locate near pedestrian crossings, transit facilities, and along pedestrian routes. New development should provide safe and attractive pedestrian access.

AL-P18 Work with the community toward providing safe and attractive pedestrian and bicycle access, including sidewalks, on all streets throughout the urban village, providing connections to destinations such as the future Northgate Sound Transit Station, Northgate Mall, the future Northgate library, the Greenwood Library, Green Lake Park, and Bitter Lake Community Center.
